Almighty and eternal God

We thank you for over 200 years of Bible Society work in South Africa, made possible by your amazing grace.

We pray for your ongoing guidance and blessing on the work of Bible Society, in South Africa and throughout the United Bible Societies Fellowship, so that all the people of our land, and all the people of the earth, may hear you speaking to them in their own heart language.

Strengthen us to meet the Bible needs of our generation, through our translation projects and through affordable Bible distribution in all formats. Bless those who give freely to make this possible. We pray for unity as we work together with the vision of a Bible in every hand and your Word in every heart.

May your Word be “a light unto our path” and a beacon of hope for all. May your Name be glorified as your Word fulfils the purpose for which you send it.

Through Jesus Christ our Lord

Amen
