Musa ukutyhafa

Ukunganyaniseki norhwaphilizo asiyonto intsha. ITestamente Endala ibalisa kwiindawo ezininzi apha uThixo ethetha ngengqumbo yakhe ngokunganyaniseki norhwaphilizo kwangaxeshanye umbhali weZafobe (wemiZekeliso) ubakhalimela ngamandla abo bantliziyo zikhohlisayo neelwimi ezixokayo.

“Xa usebenzisa isilinganiso sukwenza buqhophololo mayela nobunzima nobungakanani. Izilinganiso zakho mazibe zezizizo ngalo lonke ixesha. Sisebenzise ngokunyaniseka isilinganiso, khon’ ukuze uhlale ithuba elide kwelo lizwe akunika lona uNdikhoyo uThixo wakho. Kaloku banezothe kuNdikhoyo abantu abanobuqhophololo.”

UHLAZIYO-MNQOPHISO 25:13-16

UNdikhoyo umthiyile umntu osebenzisa isilinganiso esinegobe; kambe ke uyamthanda lowo usebenzisa isilinganiso esingenaxanasi.

Kodwa ke bona ubuqhokolo buyawabhangisa amaqhophololo.

Ubutyebi bomntu abumsindisi kwinqumbo kaThixo.

IZAFOBE 11:1,3b,4a

Ukunyaniseka kunenzuzo yentsikelelo kaThixo

UThixo ubabonisa imbeko yakhe abo banyanisekileyo. Wayalela abantu bakhe ukuba banyaniseke ukuze bazuze intsikelelo yakhe. KwiZafobe (kwimiZekeliso), ukunyaniseka kushishino kwayanyaniswa nobomi obunomvuzo.

Sisimo esisulungekileyo kuphela esimhlangulayo umntu ekufeni.

IZAFOBE 11:4b

Xa bungenziwa ubulungisa

Xa ulwaphulo – mthetho lungasiwa so ngokukhawuleza, lusuke lwande, abantu baphelelwa yintlonipho yomthetho.

Xa isohlwayo setyala singaphunyezwa msinya abantu baqhubela phambili ukwenza ububi. Nakuba isikhohlakali singona nakalikhulu, siphile ixesha elide, noko ndiyazi ukuba izinto ziya kuhamba kakuhle kwabo bamoyikayo uThixo, abo bamhlonelayo. Phofu ke, ngenxa yokuba izikhohlakali zingamoyiki uThixo, izinto aziyi kuzilungela, nemihla yazo ingòlulwa oku kwesithunzi.

Ewe, ikho into engamampunge eyenzekayo kweli hlabathi: maxa wambi amalungisa azuza isohlwayo sezikhohlakali, zize zona izikhohlakali zifumane indwe yamalungisa! Ndithi kwanaloo nto ngamampunge!

AMAVA ENGQONDI 8:11-14

Abakhholwayo bayathemba:

Ngenene ubabeka emtyibilizini,
bawe batshabalale.

IINDUMISO 73:18

Vumela uThixo abe ngumgWEBI wakho

Njengamakholwa asibizelwanga ukuba sivumelane nehlabathi koko sibizelwe ukubonisa ihlabathi indlela yokuphila.

Musani ke ukuthatha isimilo sabantu beli phakade, kodwa iingqondo zenu maziguuke zihlaziyeke, nize niyivume intando kaThixo, yona ilungileyo, ikholekileyo, igqibeleleleyo.
